

Recycle-Ready Barrier Solutions for today's Circular Economy

We can meet you in the middle...

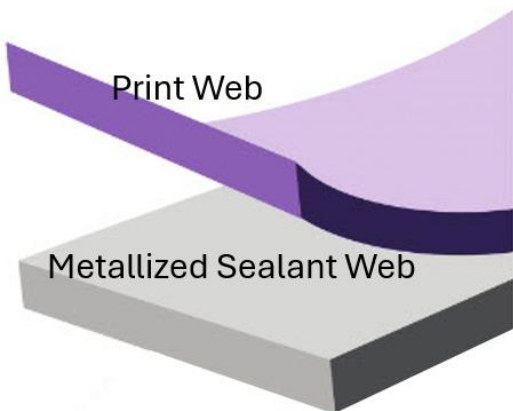

- ◆ Fulfill your mono-material barrier needs, with Celplast's metallized and AlOx-coated PE film solutions.

Barrier Middle-Ply	WVTR	OTR
	g/100in ² /d	cc/100in ² /d
FOILMET O2 RR MDO PE	0.01	0.01
FOIL-ALOX RR MDO PE	0.2	0.02
CELMET RR MDO PE	0.1	13

... or cut out the middleman.

- ◆ By consolidating the sealant and barrier layers, Celplast can enable cost-neutral two-ply solutions without sacrificing barrier performance.
