

High Barrier Industrially Compostable Film Solution

Sustainable Corn-Based PLA

- ◆ Combat pollution and microplastics by merging high barrier performance with compostability.
- ◆ Industrially compostable base film passes EN 13432 and ASTM D6400 standards.
- ◆ Excellent flavor, aroma, and grease barrier.

| Compostable Films | WVTR | OTR |
|----------------------------------|---------------------------|----------------------------|
| | (g/100in ² /d) | (cc/100in ² /d) |
| DURA-MET[®] PLA | 0.06 | 0.3 |
| ENVIROMET[™] PLA | 0.3 | 0.5 |
| FOIL-ALOX[™] PLA | 0.4 | 0.7 |
